**MINISTRY WORKERS COVENANT**

As a worker in a ministry role at Suburban Baptist Church (the Church), I agree to abide by the following principles and practices:

1. Any teaching that I do will be biblical, gospel centred and consistent with the Doctrinal Statement and theological position of Suburban Baptist Church.
2. I will work towards the achievement of the purpose, mission and goals of the church and seek to uphold the core values and culture.
3. I will seek to live a consistent Christian testimony reflecting a biblical worldview, which comes from a real and personal relationship with Jesus and is evidence of the Spirit of God working in my life.
4. In any role with children or youth of the church I will ensure that all activities are safe and age appropriate.
5. I will place myself under the authority structure of the Church leadership and abide by all policies and procedures in my ministry role.
6. I will be a committed part of the ministry team and take advantage of opportunities to improve and grow.
7. I will be a participant of the wider church body through corporate worship, accountability and discipleship.
8. I will respect the privacy of an individual's personal information and abide by the Church's Privacy Policy and Procedures.
9. I will not disclose confidential information unless there is a moral or legal requirement to do so.
10. I will seek to live out a positive Christian presence on social media.
11. I will strive to minister for the Glory of God and not for personal gain.
12. I will prayerfully commit to following these principles and practices with the Lord's help.
