

Dear Suburban Family,

I hope you are well. I know that these times have been incredibly challenging for all of us and I trust that you are leaning into the only solid Rock that we have to turn to, and that's our Lord Jesus Christ!

As you are most likely aware we have been put back into lockdown for the next 7 days. This means that we will go back online for our service this Sunday just like we did in February. Now that we are back into lockdown, and while it may seem like an uncertain time yet again, we need to trust and believe in our Lord Jesus and let that give us all our hope and encouragement. Here are some things we want to clarify and help you to remember.

- **Sunday Service** - We will meet online on our YouTube channel this Sunday 30th May at 10:00am. This will be done via our Livestream from the building with a small team of people. There will definitely be no meeting or services in person this Sunday. The team responsible for the delivery of the Livestream consists of Staff members and key volunteers. We are very thankful for their continued work and ministry to and for us. Look out for the bulletin in your email inbox.
- **AGM & RBM2** - We will meet online via a Zoom webinar this Sunday afternoon at 5:00 pm. Members please make sure that you have registered through the link that you were sent by email and access the Zoom webinar from the reply. If you are not a member, but would like to attend, please send an email to office@suburbanchurch.org and we will send you an invite to the meeting.
- **Church Building** - The church building will remain closed to the public till the end of the lockdown and can only be accessed by the Staff and key volunteers when necessary. Appropriate protocols will continue to be in place when anyone is in the building. Please do not go to the building for any reason unless you have contacted a Staff member.
- **Gospel Communities** - We encourage all Gospel Community leaders to arrange meeting via an online platform such as Zoom in this coming week.
- **Playgroups** - will be postponed for this coming week.

We will communicate with you as soon as possible as more information comes to hand.

Let me remind you of our commitment at Suburban to Love Jesus, Love One Another and Love Our City. We can do this as a body by listening to the public health advice and doing our part as good citizens to stop the spread of the virus. Please continue to

stay in touch with us and especially let us know if there is a way we can help and minister to you. Let's also keep praying for each other regularly! If things go to plan, we hope to meet again in person on Sunday the 6th of June, but until we know that for sure we will try to make the best of all of this.

We will see you all online on Sunday Morning!

I love you all in Christ!

Blessings,

Pastor Tim
